Hi Don.

Jackie Herrick in RD is asking for a quick review of the attached one-page letter by a "CBI expert in PTSLO." Would you be able to take a look at this and get back to Jackie as soon as you can? I don't see any CBI issues, but you're the expert.

**Jackie** – Don is out of the office until Monday. Do you need this today?

Thanks!

- Ben

Hi Ben,

Is there a resident CBI expert in PTSLO that may be available today? The RD IO wants to make the attached letter public. I don't think there should be any issues with CBI on this one, but I would like someone else to double check before I provide a definitive answer.

Portions of the studies that were referenced in this letter do contain CBI, and can provide them for you if that helps.

Any quick insight you could give would be helpful, if possible.

Thank you!  
Jackie
